**CARSON ANIMAL SHELTER**

On December 18, 2007, on a motion by Chair Burke, our office was instructed to work with the Department of Animal Care and Control to report the outcome of an investigation into the death of a dog at the Carson animal shelter, describing any potential personnel and infrastructure issues that may have contributed to its death, and a corrective action plan to address such issues. In addition, our office was instructed to report on a plan to address all necessary facility improvements at the Carson animal shelter, which take into consideration the current heating system, washer and dryer, and blankets. This report is due January 8, 2008.

We are currently working with the Department of Animal Care and Control to identify the matters required by this motion. We respectfully request an extension to February 12, 2008 to be able to complete the necessary review and prepare a report for your Board's consideration.

Please contact Lari Sheehan at [lsheehan@ceo.lacounty.gov](mailto:lsheehan@ceo.lacounty.gov) or (213) 893-2477 if you have any questions or need additional information.
